

15<sup>th</sup> October 2020

Dear Parent / Carer

**Craigmount High School**  
**Transition 2020-2021 - Parent/Carer Virtual Information Evening**

At Craigmount, planning with our cluster primaries is already underway for the transition of Primary 7 students. Normally at this point in the year we would invite parents / carers to an open evening. This would have been to give you an opportunity to see the school for yourselves and learn more about the transition process and Craigmount High School. Due to Corona virus restrictions we are not able to offer this at present. Instead I have created a presentation which should provide you with information about how transition will look in this unique year. Please click the link below to view the presentation:

[Transition 2020-2021 - Parent/Carer Virtual Information Evening](#)

We created a [virtual tour](#) in June 2020 which I thought might be useful for you to see inside the school.

We are always pleased to discuss any aspect of our school with parents. If after watching the presentation you have any further questions please complete this [Form](#). I will collate responses and share the most frequently asked questions or respond to you if the question is specific to your child.

I will continue to update you throughout the year and hopefully arrange a visit to Craigmount when guidelines change making it is safe to do so. I look forward to working with the P7 students virtually next term.

Yours sincerely

*Karen Coull*
