Dance

Listen to the song 'Can't stop the feeling by Justin Timberlake The official movie clip from TROLLS movie:

<https://www.youtube.com/watch?v=9hPgjW2ou9E>

Have a go at learning the trolls dance below:

<https://www.youtube.com/watch?v=KhfkYzUwYFk>

Music

Have fun dancing along to this song 'Happy' feat Minions:

[HAPPY - Pharrell Williams \(feat. Minions\) - YouTube](#)

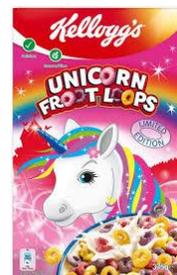

The Baby shark song was very popular. (2016 onwards)

2010s

Food

Some of popular sweet trend was small, sweet and colourful – Mini cupcakes and Unicorn food for example rainbow cereals and edible rainbow cookie dough.

Fashion

"Heelys" were a big fashion trend this decade. Trainers with hidden wheels underneath.

Why don't you have a go at designing your own "Heelys", don't forget the wheels.

Activity:

Can you make your own poster - draw, colour or paint your favourite Disney characters?

Tv

There was a couple of favourite preschool series released -

- Doc Mcstuffins (2012)
- Paw Patrol (2013)

You can find the links for them on Youtube if you would like to watch them.

Toys/Games

Fidget spinners became trending toys in 2017.

You can listen and sing along to the rhyme from the link below:

[Five little speckled frogs - BBC Teach](#)

Activity ideas:

1. Can you create your own drawing of the 5 speckled frogs and have a go with writing the numbers 1 to 5 too?
2. Can you create your own speckled frogs using any junk modelling materials you can find?
3. Can you think of any other number nursery rhymes which you like and can watch or sing.

Books

The day the crayons quit by Drew Daywalt

is a well known and loved song of the children to dance along to:

Learn the dance Kids bop dance below:

The squishes and slime craze started in 2015 but is still very popular now for a wide age range of children.

You can make your own slime or coloured play dough for playing with to create and construct your own models and textures which is a great fun sensory activity.

Listen to the story here:
[The Day the Crayons Quit - Animated Read Aloud - YouTube](#)

From the story and looking at the different crayon pictures: Can you tell how each crayon is feeling? What emotion does the facial expression show?

OR

To think about creative colours think about what your favourite colours are? Can you draw the coloured crayons from the story and
