

# Roseburn Primary – P2 HOME LEARNING GRID – 16<sup>th</sup> February 2021

This School Closure Home Learning Grid provides an overview of work planned for the class for the whole week. In addition, the daily Sway will suggest which of these activities to complete each day and give you further links, resources or guidance. Each Sway will include a mixture of tasks relating to Literacy, Numeracy, Health and Wellbeing and another curricular area. Links to resources will be provided on the Sway but if you are having difficulty opening or downloading, they are also available in files on the General channel. Please note this is guidance only and should be adapted and completed as appropriate to your home family circumstances.

The children are invited to share their learning through Teams or Learning Journals. This may be photos, word documents, PowerPoints, video clips – whatever suits best.

## Maths & Numeracy

Our intended learning for the week is **to sequence numerals to 100:**

- \* within a 10
- \* decade numbers
- \* off decade numbers

You can use some of these online games to help you to practise this skill throughout the week.

[Dragon Game](#)

[Counting Caterpillar](#)

[Range Arranger](#)

On your daily Sway you will be given videos to watch, worksheets to complete or activities and games to have a go at.

Here is your [February Maths Calendar](#).

## Maths & Numeracy

Each maths group will meet weekly with Mrs Thirgood via Teams to complete some numeracy and maths activities.

### Meetings:

- 1 – Wednesday @ 11am
- 2 – Wednesday @ 11:30am
- 3 – Thursday @ 11am
- 4 – Thursday @ 11:30am

Please make sure you have your whiteboard and pen (or paper and a pen/pencil) handy when you join the call. You might also want to have some manipulatives handy, e.g. some counters, a number line or an abacus.

## Health & Wellbeing

### PE with Joe Wicks

Join [Joe Wicks for his PE lesson](#) on a Monday, Wednesday and Friday at 9am.

Or you could try:

- this week's '[Go Noodle](#)' dance and accompanying activities
- [Cracker the Dragon of Wonder](#) Cosmic Kids Yoga

Or better still – take some time away from the screen and play outside!

## Health & Wellbeing

### Right of the Week (Tuesday)

Articles 20 & 25 – If you can't live with your parents, other, nice people should look after you and people should check that you are safe and happy.

### Building Resilience (Thursday)

Unit 2 - Respect Yourself

The three key messages are:

- There is no one quite like me.
- Everyone has different strengths.
- I treat myself with respect.

### Literacy: Reading

Please note the change of time this week for the Purple and Blue groups, due to the Monday holiday.

You should all see a channel on Teams that is specific to your reading group. Here you will find any instructions/ resources that you might need for the week.

#### Meetings:

Red – Tuesday @ 10:30am

Green – Tuesday @ 11am

Yellow – Tuesday @ 11:30am

Purple – Tuesday @ 1pm

Blue – Tuesday @ 1:30pm

### Literacy: Spelling

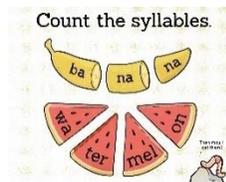

This week we will continue to focus on **multisyllabic words**. Here are the videos to remind you of the concept of syllables.

[Scratch Garden - Syllables](#)

[Blazer Fresh - Syllables](#)

[BBC Supermovers - Syllables](#)

[The Clapping Game](#)

Have a go at completing your [spelling pre-test](#) before you do any other spelling activities this week!

Here is your [spelling list](#) for the week.

Watch this video and afterwards you could try out some of the activities:

[BBC Learning at Home - Syllables](#)

Use your [spelling menu](#) to choose activities each day to help you practise your spelling word list.

### Literacy: Writing

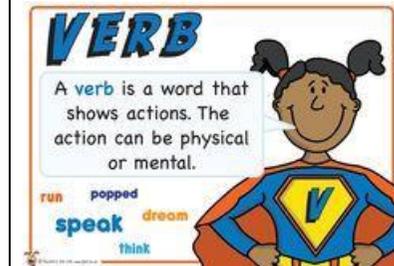

This week your writing task will be inspired by 'The Magic Paintbrush', written by Julia Donaldson. Follow these steps to help you think carefully about your piece of writing.

1. Listen to the story of The Magic Paintbrush (on Wednesday's Sway).
2. Imagine what you would paint if you were given magic paintbrush.
3. Paint or draw the picture you have imagined, using as much detail as possible.
4. Talk to someone about what would happen if your picture really did come to life. What adventures might you have?
5. Write a short story about your imaginary adventures with your magic paintbrush.

### Literacy: Punctuation

#### Verbs

This week we will begin to look at verbs as a class of word.

What are verbs? Use these videos to introduce you to the concept:

[Grammaropolis - Verbs](#)

[A verb is an action word](#)

[Verb rap song](#)

[Verbs Schoolhouse Rock](#)

[BBC - Using Verbs](#)

You could practise listening out for verbs at home by playing a game of 'Simon says'.

On Thursday's Sway you will be given more information and an activity to complete.

Other Curricular Areas

RME – Practices and traditions

The long build up to Easter is called Lent. The day before Lent begins is called **Shrove Tuesday**. 'Shrove' means being forgiven for wrong-doings. It happens on a different date each year depending on when Easter is. This year Shrove Tuesday is on 16 February 2021.

[Everything you need to know about Shrove Tuesday](#)

[Shrove Tuesday Facts](#)

You could try making your own pancakes at home. What toppings will you choose? I'd love to see some videos of pancake flipping!

[Easy Pancake Recipe](#)

If you do not feel like making pancakes to eat, you could junk model your very own pancakes and design the toppings of your choice. Here is a [cut and stick activity](#) to give you some inspiration.

RME – Practices and traditions

**Chinese New Year**, or the Spring Festival, started on Friday. It lasts for 15 days.

Learn how families prepare their homes for the New Year:

[Preparing for Chinese New Year](#)

Here is the story of the animal race:

[The Story of Chinese New Year](#)

Try retelling the story of the animal race. You could record your story using apps such as Puppet Pals or Draw and Tell.

[The Zodiac Story](#)

2021 is the Year of the Ox. Can you find out in which year you were born? In this week's topic folder you will find instructions for lots of different animal crafts, such as this [fire-breathing dragon](#).

RME – Practices and traditions

Chinese paper cuts are used to decorate windows. Here are [the instructions](#) to make your own.

This [episode of the Go-Jettors](#) is related to some traditions experienced during Chinese New Year. Can you create your very own Chinese-inspired dragon dance?

The end of the Spring Festival celebration is marked by a Lantern Festival. This year it will take place on 26<sup>th</sup> February. The lanterns symbolise people letting go of the past year and welcoming the new year with good fortune. Follow [this guide](#) to make your own lantern.

My Community – Houses & Homes

Our intended learning for the week is to name types of homes in the community and consider the needs of residents.

When you are out walking, identify different buildings and their purpose such as a community centre, a shop, houses, a school or medical centre. In particular, try to identify **different types of houses**.

How do homes with stairs meet the needs of people who have a disability?

Make a list of adaptations that would be important to make to your own home if you had a friend come to stay who has a physical disability.
