

Parents and Carers

Date 31 March 2023

Dear Parents and Carers,

Just a quick note to wish you all a happy holiday with the hope of some Spring sunshine which always sets us up well for the coming term. Also, to wish our senior phase learners' long periods of uninterrupted peace and quiet to study for their upcoming exams.

When we come back school staff will reflect on the year so far which will result in the annual Standards and Quality Report and then the School Improvement Plan. A few of you may be involved in giving feedback and helping set the next series of targets – we are very grateful when you do.

Looking back on the past few months there have been some incredible high points such as

- completing the project to give out over 48 000 iPads to learners and staff.
- learners sharing and celebrating their Equalities work at the City Chambers.
- learners building and racing their own hydrogen powered vehicles at Meadowbank, learning more about the climate emergency as they did so.

Much more of that in the coming weeks and months, but first of course, some valuable and hopefully relaxing, family time.

Yours sincerely

Lorna French
Service Director for Education and Chief Education Officer
